

INTERACTIVE BOOK PLANNER

- Use the following pages to plan your Interactive Book.
- Add sketches, details and notes for each cover and page.
- Think of cool 2D and 3D designs you can make - illustrations, textures, moving pieces or even folded pop-up parts.
- You can also add a Circuit Card and LED lights.
- The diagrams show pages that face each other so you can design full spreads.

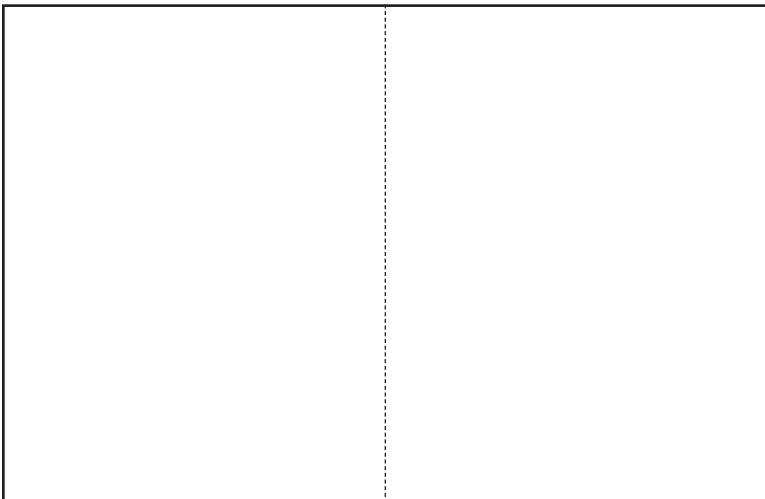

**This planner can be used for our Accordion Books, Expandable Books and Sewn Books.
Please see the video tutorials on the Eureka website for cool book designs.**
